

Join the Kennesaw State University Office of Emergency Management for our fall semester Campus Emergency Response Team (CERT) training. CERT is a training program designed by the Federal Emergency Management Agency for the purpose of educating individuals about disaster preparedness and hazards that may impact their areas. For questions or to register, contact Barrett D. Cappetto at bcappett@kennesaw.edu or (470) 578-4833.

TBD	Skills Review and Disaster Simulation	N/A	TBD

CERT is offered free of charge, and is open to any students, staff, or faculty that are interested in the CERT program and its mission. CERT participants are recommended to complete the online “ICS for Higher Education” (ICS100.He) before the beginning of CERT. This provides the participant with a basic knowledge of emergency management and common terminology used throughout the course. The online course can be accessed via this link: <https://training.fema.gov/is/courseoverview.aspx?code=is-100.he>.
