October is National Cyber Security Awareness Month

University Information Technology Services and the Office of Cybersecurity’s 10th annual Cyber Security Awareness Day will be held this year on October 3rd on the Marietta Campus and October 4th the Kennesaw Campus. Each year, we invite information security experts to come speak to our campus community members about the information security industry and how to protect themselves and their devices online.

October 3, 2018 - Marietta
Ballroom - Joe Mack Wilson Student Center (A Building) 9:30am

October 4, 2018 - Kennesaw
University Rooms - Carmichael Student Center 9:30am

Featuring speakers are from the GBI, the FBI, the U.S. Secret Service, private business, and education (including some presenters from KSU). The full schedule is located at the event website at cybersecurity.kennesaw.edu. Each year, these experts give valuable and fascinating presentations concerning trends in online criminal activity and the constantly evolving efforts to prevent attacks and security breaches.
Fire Safety

Fire Prevention Week takes place October 7-13, 2018.

The National Fire Protection Association (NFPA) has announced the theme for its Fire Prevention Week 2018 campaign:

**Look. Listen. Learn. Be aware – fire can happen anywhere.**

NFPA aims to raise awareness of “three basic but essential steps to take to reduce the likelihood of having a fire.” Those steps are:

**LOOK** for possible fire hazards in your home and eliminate them.

**LISTEN** for your home’s smoke alarms. Know that you may have only minutes to get out if a fire breaks out.

**LEARN** two ways out of each room of your home. Exits should be easy to access and free of clutter. After leaving the home, go to your family’s designated meeting spot, established when you set up a [home fire escape plan](#).

Seconds count! Make sure you always know an exit and always immediately evacuate when you hear a fire alarm.

Take a few minutes to watch the video at the following link: [https://www.youtube.com/watch?v=bknYdprA9ug](https://www.youtube.com/watch?v=bknYdprA9ug)

**WARNING:**

It’s rather graphic.

Remember:

- Exit the building when the alarm sounds.
- Then stay out.
- Never assume someone has already called for help. Call 470-578-6666 or 911.

**Seconds Count!**

Basic Rape Aggression Defense (R.A.D.) is a program of realistic self-defense tactics and techniques for women. This RAD class is inclusive and open to all women. The Basic R.A.D. class is a comprehensive, women-only course that begins with awareness, prevention, risk reduction, risk avoidance, and progresses on to the basics of hands-on defense training. The hands-on portion of the class is progressive in nature however participants learn and implement techniques at their own comfort level. R.A.D. is not a martial arts program. It is designed to help women of all ages and fitness levels avoid and escape harmful situations by teaching a strong foundation of awareness, risk reduction and avoidance strategies, which R.A.D. believes is 90 percent of self-defense training. This course is a combination of both educational and physical learning components.

R.A.D. is the only existing self-defense program with a free lifetime return and practice policy, honored worldwide. Our instructors are extensively trained and nationally certified by R.A.D. Systems.

This course if FREE for all KSU students, faculty, and staff. For Non KSU affiliates, there is a $25 fee for the class. The class is held over the course of four sessions. In order to participate on the following class dates, attendance on Day 1 is required. Attendance at all four sessions is encouraged, as skills build each session, and is required to participate in the live simulations on the last day.

Basic R.A.D. for Women classes will be held on the Marietta Campus on the following dates:

- Tuesday, October 16: Architecture Building, N175, then moving to the gym from 5-9pm
- Thursday, October 18: Gymnasium, S2, from 5-9pm
- Tuesday, October 23: Gymnasium, S2, from 5-9pm
- Thursday, October 25: Gymnasium, S2, from 5-9pm

To register for Basic R.A.D. for Women class send an email to radclasses@kennesaw.edu along with your KSU ID number.
